“Research / Teaching Excellence in Business and Economics”

We invite papers/articles, abstracts, or cases on topics related to research, practice, and teaching in all subject areas of Business Administration, Economics, International Business, E-Business, Public Administration, Healthcare Administration, and related subjects areas. Please refer to our list for nearly 70 subject areas in 10 broadly defined tracks for the conference. Please visit our website:

<http://www.iabe.eu/>

With this event, IABE will print a special number of the International Journal of Business Research

**" Strategic management and business sustainability:
Value creation, performance measurement and disclosure"**

All manuscripts will be double-blind peer-reviewed on a continual basis throughout the year. We will email result of the review process to the author(s) in about four weeks after the submission. All recommended manuscripts will be scheduled for presentation at the conference and for publication in the IABE *Proceedings* on CD. Based on the reviewers' recommendations and subject area, the highly competitive papers will be published in one of the refereed journals. Each journal has the ISSN and Call Number issued by the U.S. Library of Congress, Washington. Our journals are sponsored by universities. The journals are Registered Trademarks or Trademarks.
